Dear Members,

The United States of America Coton de Tulear Club as Parent Breed Club for the AKC, announces that the Proposed AKC Standard for the Coton de Tulear and the revised USACTC Constitution and Bylaws that will carry us into our future with the AKC, have been approved by an overwhelming majority of votes cast by our members. Our website will be updated with the revisions shortly.

The Breed Education Committee is actively working on an illustrated version of the standard that will be available soon.

Thank you to the members who acknowledged agreement and support of their club as we move into a new chapter in the life of the Coton de Tulear and the USACTC

Sincerely,

Ruth Weidrick, USACTC, Inc. President
